

# Croyde Wallbeds - SPACE

## Example Configurations

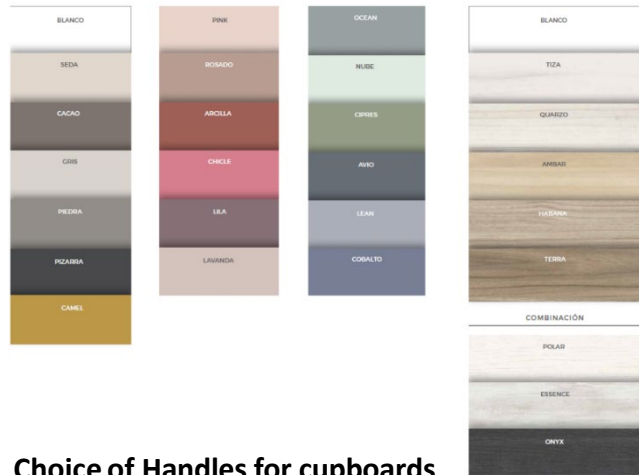

### Standard Specification

- Croyde Double Wallbed from the 'Space' collection with lights
- Piston based model that is very easy to install and requires no adjustment or adaptation (5 year warranty on pistons)
- Configuration is 100% customisable if you require changes (may incur additional costs)
- Standard 575mm depth can provide some storage space for pillows etc underneath the bed, plus optional shelves
- Bespoke sized mattress to hospital specification with cover that is waterproof, moisture vapour permeable, two-way stretch and zipped for internal access (2 year warranty on mattress)
- Zips covered with waterproof flaps for additional reassurance against fluid ingress
- Mattress is fire retardant to UK standards
- Compatible for cleaning using Trust approved cleaning solutions and wipes
- Colour finish of bed and cabinetry can be chosen from below.
- Handles can be chosen from below
- Please specify all options on your purchase order to avoid delays

### Options (all additional cost)

- Integral Lights
- Top boxes - installed or supply only for fitting with ceiling
- Wardrobe rails, shelves, open shelving, gas/power cut outs
